

## **VICKI MARONE**

### **OVERALL FINANCE CHAIRPERSON**

#### **2012 PENN STATE IFC/PANHELLENIC DANCE MARATHON**

Can you imagine counting every last dollar donated to THON? As the THON 2012 Overall Finance Chairperson, Vicki Marone dedicates each day to ensuring that every nickel and dime donated count towards THON 2012's total and are ultimately donated to The Four Diamonds Fund.

Marone's responsibilities as the Overall Finance Chairperson include overseeing the collecting of funds and accurately accounting for every donation made to THON. She leads a committee of 26 Finance Captains who assist her in the tracking and counting of cash donations, managing of checks and pledges, and in the assistance of THON chairs and donors with all of their financial needs.

Marone has been heavily involved in THON since her freshman year after joining Atlas, an organization solely dedicated to fundraising for THON. She served on a Special Events Committee her sophomore year and as a Finance Captain her junior year. During her junior year, she had the honor of dancing for Atlas in THON 2011, an experience Marone will cherish forever.

When Marone is not busy overseeing the collection of donations and maintaining THON's finances, she is most likely found going for a run, reading a book, or painting by numbers. She also enjoys spending time with her family, complete with four younger siblings.

Vicki Marone is a senior from Newton, Massachusetts. She is majoring in Mathematics and Energy, Business & Finance. For more information or the opportunity to interview Marone, please contact Kirsten Quisenberry, Overall Public Relations Chairperson, at [public.relations@thon.org](mailto:public.relations@thon.org).
